

Konferencija Evropskog centra za liderstvo, 27-28. maj 2010. godine

# „Hoće li evropski lideri pogledati ka budućnosti i pronaći kreativna rešenja?“

IEDC Poslovna škola Bled, Slovenija

Ovogodišnja konferencija Evropskog centra za liderstvo (ELC) će predstavljati izazovan događaj sa fokusom na ono na šta bi evropski lideri trebalo da obrate pažnju kako bi doprineli da Evropa i svet postanu bolji. Učesnici će iznositi ideje vezane za nove liderske pristupe ka promovisanju inovativnosti, komunikacije i uprave/etike. U ovom kontekstu, razgovaraće se o sledećim temama:

- Kako će evropsko poslovno okruženje izgledati posle ekonomske krize?
- Kako će pitanja energije i održivosti uticati na razvoj Evrope u budućnosti?
- Kako Evropa može promovisati inovativnost?
- Novi načini uvođenja u evropsku budućnost
- Uticaji informacionih tehnologija na komunikaciju i saradnju
- Novi oblici organizacije; doprinosi Evrope
- Novi oblici upravljanja

Među onima koji će se na ovogodišnjoj konferenciji obratiti pristunima su: Dr. Janez Potočnik, evropski komesar za životnu sredinu, Prof. Donna Ladkin, Centre for Executive Learning and Leadership,

Cranfield School of Management, Prof. Maurice Saias, profesor na francuskom Univerzitetu Aix-en-Provence, koga je list Financial Times opisao kao jednog od 10 evropskih strateških gurua, Dr. Sally Jeanrenaud, direktor grupe Green Economy Coalition, Mr. Žiga Debeljak, predsednik odbora kompanije Mercator, Slovenija; Prof. Annie Pye, direktor odeljenja za istraživanje, Centre for Leadership Studies, Exeter University, Dr. Erhard Busek, predsednik, Institute for the Danube Region and Central Europe. Conference of the European Leadership Centre, 27 – 28 May 2010

# “Will European Leaders See Around the Corner and Find Creative Solutions?”

IEDC-Bled School of Management, Slovenia

This year’s conference of the European Leadership Centre (ELC) will be a challenging event focusing on what European leaders should bear in mind to make a difference and contribute to a better Europe and a better world. Participants will brainstorm on the importance of new leadership approaches to promoting innovation, communication and governance/ethics. In this context the following key themes will be discussed:

- How will the European Business Environment Look After the Crisis?
- How will Energy and Sustainability Issues Influence the Future Development of Europe?
- How can Europe Promote Innovation?
- New Ways of Leading into Europe's Future
- Impact of IT on Communication and Cooperation
- New Forms of Organization; the Contributions of Europe
- New Forms of Governance

Among the speakers of this year's conference are: Dr. Janez Potočnik, EU Commissioner for Environment, Prof. Donna Ladkin, Centre for Executive Learning and Leadership, Cranfield

School of Management, Prof. Maurice Saias, described by the Financial Times as one of Europe’s 10 leading strategy gurus and Professor of Strategy at University Aix-en-Provence, France, Dr. Sally Jeanrenaud, Director of the Green Economy Coalition, Mr. Iga Debeljak, President of the Board, Mercator, Slovenia; Prof. Annie Pye, Director of Research, Centre for Leadership Studies, Exeter University, Dr. Erhard Busek, President, Institute for the Danube Region and Central Europe. Prof. Arnold Walravens, Professor Emeritus of the Technological University Delft and President of the Supervisory Board of Eureko, Dr. Nadya Zhexembayeva, Professor of Sustainability at IEDC-Bled School of Management and other speakers from European businesses and organizations.

At the conference we expect 80 representatives from business world, governments, non-governmental organizations, media, deans and directors of management schools, and experts on the leadership issues from 30 countries.
